Figures in ₦ Billions

Collections for 2019 indicate a familiar trend with PAYE forming the bulk of collections with a total amount of N809.31 billion, a 60.66% contribution to total full year collection. This figure represents a 20.10% increase over the collection of N673.89 billion recorded in 2018.

Direct Assessment with a total full year 2019 collection of N47.67 billion accounted for 3.57% of total annual collection. This collection represented a growth of 7.55% compared to collections made for full year 2018 which was N44.32 billion.

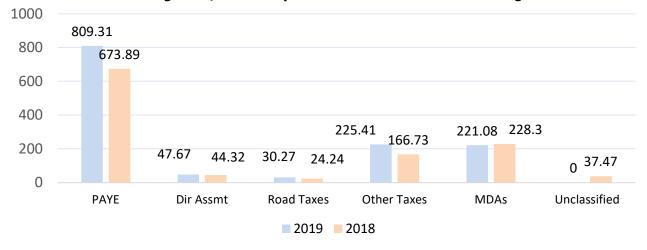

Road Tax and Other Taxes witnessed positive growth over the same period from 2018 with actual collections of N30.27 billion and N225.41 billion, representing growth margins of 24.86% and 35.19% respectively. MDAs revenue, with an actual full year 2019 collection of N22155 billion and a contribution to total annual collection of 16.61%, experienced a contraction of 2.96% from the same period in 2018 where the sum of NN228.3 billion was posted.
